द्रात्त्र व्याद्र व

This [came about when] one like me, Gargyi Wangchuk or Dorjé Dradul Tsel, had a visionary experience of meeting the magical wisdom form of my spiritual father and master, the great treasure revealer and lama Trak Tung Dudjom Lingpa who said to me, "Give a Tara ritual like this to your disciple, Khyen Pel. It is needed for daily practice and for accumulating the numbers to be completed and, it is easy to practice." Thinking of benefiting others, I wrote it down.

May it be virtuous!
